MY RESEARCH IN 3 MINUTES AWARD
Audi omnes, paucis crede

An opportunity to present the results of your research and its translational applications in just 3 minutes.

PhDay challenges all PhD students in Life Sciences (33rd cycle) to compete for the *My Research in Three Minutes* award. Three minutes to sum up your research at the University of Campania “Luigi Vanvitelli” to a mixed audience.

The final stage of the competition and award ceremony will take place on 30 January 2020 during the PhDay.

Research pitches in English will be evaluated by a jury made up of scientific experts: Prof. Dario Giugliano (Director of PhD Studies in Life Sciences), Prof. Lucia Altucci (Rector’s Delegate for Research & Innovation) and Prof. Luigi Zeni (Rector’s Delegate for Technology Transfer).

The jury will evaluate presentations based on the following criteria:

- Clarity of delivery and content aimed at a mixed audience
- Appropriateness and accuracy of language
- Use of supporting materials (max 5 slides)
- Observance and use of the 3–minute time limit.

Completed application forms with power point presentations (max 5 slides) must be submitted to Dr. Giovanna Marmo at giovanna.marmo@unicampania.it by 20 November 2019.

Shortlisted candidates will be informed via email by 20 January 2020.
