

## CORSO DI FORMAZIONE

# **HORIZON EUROPE PILLAR III: INNOVATIVE EUROPE**

29/05/2023 – online

10.00 – 12.30

### DESCRIPTION

With a budget of €10.1 billion the European Innovation Council has been established under Horizon Europe to support game changing innovations with the potential to scale up internationally and become market leaders.

It support the whole lifecycle of the innovation, from early stage research, to proof of concept, technology transfer, and the financing and scale up of start-ups and SMEs. It focuses mainly on breakthrough, deeptech and disruptive innovation, targeting especially market-creating innovation.

EIC Pathfinder: for advanced research, supporting early stage development of future and emerging breakthrough, market-creating and/or deep tech technologies.

EIC Transition: to help researchers and innovators develop the pathway to commercial development for promising research results.

EIC Accelerator: to support individual SMEs, startups and small mid-caps to bridge the financing gap between late stages of research activities and market take-up, to effectively deploy breakthrough, market-creating innovation and scale-up companies where the market does not provide viable financing.
